

Wheeley / FleetOS — ONDC Logistics Static Terms

Domain: ONDC:LOG10 | Version 0.1.2 | Effective: 18 September 2026

1. Scope

These static terms govern logistics transactions offered by Wheeley on ONDC LOG10 for hyperlocal / last-mile delivery in declared city codes.

2. Orders

Orders accepted via confirm create a binding logistics engagement subject to capacity, serviceability, and accurate pickup/drop details from the Buyer App.

3. Fulfilment

Estimated delivery times are indicative. Live status and track updates are provided via `on_status` / `on_track`. Rider assignment follows FleetOS dispatch rules.

4. Cancellations

Buyer- or seller-initiated cancellations before pickup may be free; after pickup, applicable cancellation charges as quoted in `on_init` / `on_confirm` apply.

5. Refunds

Refunds for failed/undelivered shipments follow settlement with the Buyer App per ONDC logistics settlement guidelines and quoted terms.

6. IGM

Issue & Grievance Management is supported via ONDC IGM APIs. Grievance Redressal Officer (GRO): FleetOS GRO. Escalations: support@wheeley.in | Mobile: 7827450911. Response SLAs align with ONDC IGM guidance.

7. Payouts / Settlement

Logistics fees and COD remittance (if any) settle as per network settlement cycles agreed with the Buyer App / collector.

8. Liability

Liability is limited to the delivery fee for the affected shipment except where mandatory law provides otherwise. Force majeure applies.
