

DittoMart — ONDC Static Terms (Buyer Network Participant)

Buyer App Name: DittoMart | **Subscriber ID:** staging.dittomart.in

Domain: ONDC:RET11 — Retail (B2C) | **Version:** v1.0 | **Date of release:** 04-Jul-2026

1. Introduction & Scope

These Static Terms ("Terms") govern the use of the DittoMart Buyer Application ("DittoMart", "we", "us") by buyers ("you", "buyer") for discovering, ordering, and receiving goods and services from sellers on the Open Network for Digital Commerce ("ONDC Network"). DittoMart acts as a Buyer Network Participant (Buyer App) and facilitates transactions between buyers and sellers listed via Seller Network Participants. By using DittoMart, you agree to these Terms.

2. Eligibility & Account

- You must be legally competent to contract under applicable law to place orders through DittoMart.
- You are responsible for the accuracy of the information provided (name, contact, delivery address) and for maintaining the confidentiality of your account.

3. Orders & Order Confirmation

Orders placed via DittoMart on the ONDC Network are confirmed upon acceptance by the seller. Order details, item quantity, pricing, and fulfilment terms are as displayed to the buyer at the time of order confirmation (`on_confirm`). Title to the goods passes from the seller to the buyer through the invoice issued by the seller. DittoMart is not the seller of record and does not hold title to the goods.

4. Pricing, Taxes & Charges

The price displayed for an item is inclusive of applicable taxes unless stated otherwise. Additional charges such as delivery charges, packing charges, and convenience fees (where applicable) are disclosed to the buyer before order confirmation as part of the quote. The final payable amount is the quote value confirmed at checkout.

5. Payments

Payments are collected as per the payment method and settlement type shown at checkout (e.g. prepaid). Payment-related terms, including the amount, currency (INR), and transaction reference, are as reflected in the order. Buyer-collected amounts are settled to the counterparty in accordance with the ONDC Reconciliation & Settlement Framework (RSF).

6. Delivery & Fulfilment

Delivery timelines (TAT) and fulfilment terms are as declared by the seller and displayed to the buyer. DittoMart relays fulfilment and tracking updates received from the seller/logistics provider. Serviceability is subject to the seller's declared serviceable area and timing.

7. Cancellations

- **Buyer-initiated:** Buyers may cancel an order within the cancellation window and as per the cancellation terms displayed for the item.
- **Seller-initiated:** Seller-initiated cancellations (e.g. out of stock, non-serviceable, non-acceptance) are governed by the applicable ONDC cancellation reason codes.

8. Returns

Returns are accepted for returnable items within the return window declared by the seller ([@ondc/org/return_window](#)), subject to the item being in the required condition. Non-returnable items are indicated as such in the catalog.

9. Refunds

Eligible refunds are processed to the buyer's original payment method within the timelines defined by the seller and applicable ONDC policies, after the corresponding return or cancellation has been approved. Refund amounts are as per the quote and any applicable deductions disclosed at the time of the transaction.

10. Issue & Grievance Management (IGM)

Buyers may raise issues through the DittoMart application. Grievances are handled in accordance with the ONDC Issue & Grievance Management (IGM) framework, including timely response, resolution, and escalation to the Grievance Redressal Officer (GRO) where required.

Grievance Redressal Officer (GRO): info@dittomart.in

11. Payouts / Settlement

Settlements between Network Participants are reconciled in accordance with the ONDC Reconciliation & Settlement Framework (RSF). Amounts are settled to the counterparty as per the agreed settlement window and terms.

12. Buyer Obligations & Acceptable Use

- You agree to use DittoMart only for lawful purposes and not to place fraudulent or malicious orders.
- You shall not use the application for any illegal or unlawful content or activity.

13. Privacy & Data Protection

DittoMart processes personal information in accordance with applicable law and the ONDC Network Data Governance Policy. Personally identifiable information is used only to facilitate the transaction and is shared with counterparties on a need-to-know basis for order fulfilment and grievance resolution.

14. Limitation of Liability

DittoMart facilitates transactions on the ONDC Network and is not the seller of goods. Responsibility for the goods, their quality, and fulfilment lies with the seller. DittoMart's liability, if any, is limited to the role of a Buyer Network Participant as defined under the ONDC Network Policy and applicable law.

15. Governing Law & Jurisdiction

These Terms are governed by the laws of India. Disputes, to the extent not resolved through the ONDC IGM framework, are subject to the jurisdiction of the competent courts in India.

16. Amendments

DittoMart may update these Terms from time to time. The current version and changelog are maintained by DittoMart, and the latest version supersedes previous versions.
